Ian Hennessey 8 Nap View Awliscombe Honiton EX14 3PL

The start is in Honiton, Devon. The first control is a garage and Little Chef. At Watchet you should control in the town.. There are cafes by the sea front. The next control should be Milverton but Wellington will do in extremis. There are more choices in the latter town. The finish is given as the Awliscombe Inn, but if you have time you may continue on the main road to Honiton where there are plenty of cafes. The first half of the ride is hilly and uses some lanes with doubtful surfacing. The second half is gentler and on better roads.
